CDL permit training

USD 329 Wabaunsee is hosting a 2 day ELDT and CDL permit training exam event on October 23rd & 24th, 2024 at the Alma Community Center which is located at 1050 Ohio St Alma KS. The training will be from 8:00AM -3:30PM each day with a 1 hour open lunch. We have several local places to dine.

This is an intensive 2 day class and written exam put on by trainers and examiners from the Kansas State Department of Revenue. The class is designed to get participants a CDL permit, which is the first step in obtaining a CDL/bus license. After passing the exam, participants must visit a full-service Driver's License office to pick up their permits and pay a \$13 fee for the permit.

CDL Handbooks are available at State DL offices for \$2 and online at KDOR for free at <https://www.ksrevenue.gov/pdf/cdlhandbook.pdf>

Questions regarding the class, please reach out to Becky Manka at bmanka@usd329.org or 785-765-3394
